^{*} Other judgments: just satisfaction, revision, preliminary objections and lack of jurisdiction.

^{**} Some judgments are against more than one State: Armenia and the Republic of Moldova; Bosnia and Herzegovina, Croatia, Serbia, Slovenia and "the former Yugoslav Republic of Macedonia"; Greece and Germany; Italy and Bulgaria; Montenegro and Serbia; the Republic of Moldova and Russia; and San Marino and Italy. Please note that with the launch of the new version of HUDOC, the Court's case-law database, this table has been generated automatically, using the conclusions recorded in the metadata for each judgment. Following recalibration of the automated counting tool, some of the data has been reclassified in the final version of the table of violations and slight differences may therefore be observed in the above figures compared with those in the provisional version of the Annual Report.
