The 3<sup>rd</sup> Focal Points Forum of the SCN was held on 6 and 7 June 2019 in the Human Rights Building, with the participation of 70 member courts from 34 countries.

The event's highlight was the launch the Knowledge Sharing (KS) platform, welcomed enthusiastically by the SCN members.

Two thematic workshops, the first on the subject of "ECHR case-law on immigration" and the second on "ECHR case-law on terrorism" were also greatly appreciated by the audience.
